REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Wellford Elementary is home to a wonderful community of learners. This year, our theme, "Learning is Great; Let's Celebrate in 2007/2008!" was appropriate because we had much to celebrate. We were delighted to receive two prestigious awards. We were given the Palmetto Silver Award for improved academic achievement, and we also were honored with the Education Oversight's "Closing the Achievement Gap" Award for our success in English/Language Arts.

Our instructional priority this year was to implement "Learning Focused" strategies while mapping our curriculum and writing units in order to provide continuity to teachers and learners throughout our school and district. Teachers helped to create these units based on the South Carolina standards for learning. Our students benefited from the content in these units, and in turn, made great improvements on the Palmetto Achievement Challenge Test (PACT) and on the Measures of Academic Progress (MAP).

Furthermore, we continue our efforts to add technology to our school that will enhance the learning experience. Nine teachers received projectors and Interwrite tablets that aid instruction while benefiting students. Efforts persist to add this technology to each classroom in the school.

Our active PTA hosted and helped with many community events this year to enhance the educational experiences of our students. With their support, we continued our Fall Festival, Breakfast with Santa, Family Reading Night, and our Earth Day Celebration. In addition, we were pleased to introduce a Family Fitness Night where healthy habits were encouraged.

As our mission and beliefs state, "Children are our most important resource" at Wellford Elementary. We invite and encourage parents and community members to take an active role in our students' educational experiences.

Thank you for all you do to make our school great, and we look forward to working with you in the future!
